The Mildliner Brush & Marker is also dual-ended, with a brush tip on one end and a thin round tip on the other. Its 33 unique, soft colors captivate everyday users, creatives, and Bullet Journal enthusiasts alike. Its water-based ink does not bleed through the paper, is easy to layer, is waterproof, acid-free, and does not fade.

It also allows you to mix colors, so you can create unique shades.

They can be purchased individually or in sets of 5, 10, and 15. It's really not surprising at all that Mildliner's has become so popular: students, artists, and bullet journal enthusiasts love them. They help organize notes and make everyday writing more colorful and fun.
